It's time to bring back the true meaning of **"The Brotherhood."** Together, we can make the thin blue line stronger!

The Police Officers Brotherhood is an independent law enforcement non profit organization that was formed with the frontline law enforcement officer, their families and the victims of crime in mind. The POB is governed by active, retired and former Law Enforcement Officers throughout the state and does not compete with labor unions, such as the PBA, FOP & STFA. **Portion of the proceeds shall be distributed to the following law enforcement causes below:**

Our goal is to unite officers and give donations to all brothers / sisters in blue regardless of their union affiliation!

BLUE MASS

The Police Officer's Brotherhood has been a staunch supporter of the Newark Blue Mass over the years. We have given generous donation to officers and their families in need at the luncheon ceremonies provided by the Blue Mass Committee for those recipients and officers in attendance held after the mass at the skating rink. The POB commends the efforts of the committee and all that they do to hold such a heartfelt remembrance of those officers who made the ultimate sacrifice protecting and serving the State of New Jersey. We thank all of them for their dedication and commitment in having the Blue Mass in honor of the men and woman in blue who gave their lives in the line of duty.

BLUE SUICIDE

An epidemic that is increasingly growing across the nation and we thank **The Blue Magazine** for bringing this issue to the forefront. The Blue Magazine along with the **Moment of Silence** are holding periodic meetings throughout New Jersey to discuss what we can do to help our brother and sister officers struggling with this pressing issue. The Police Officer's Brotherhood is committed to helping and putting together its program called **No One Stands Alone** to help officers deal with this epidemic to hopefully save lives. We have an obligation to be our brothers and sisters in blue, keeper!

BLUE AUTISM & SPECIAL NEEDS

The Police Officers Brotherhood is committed to helping children participate in programs that develop positive self-esteem and learn skills to help them lead healthy, successful lives to reach their full potential. We support such programs and services by raise funds through our many fundraising events such as this event which helps the families of officer during their time of need!

Trooper Castellano lost his life in the line of duty when he was struck by a passing vehicle on June 6, 2010. His mother, Donna Setaro, is campaigning for more highway signs & lecturing throughout the USA to bring public awareness to the **Move Over Law**, which safeguards first responders on highways.

We are our Brothers And Sisters Keeper!

The Police Officers Brotherhood through its programs, services and fundraising efforts has donated over **\$295,000** to law enforcement officers and their families during their time of need or crises **regardless** of their union affiliation, titles or agency they work for in order to form a **true brotherhood!**

We help support State, County and Federal law enforcement officers such as State Troopers, State Parole Officers, State and County Correction Officers, Sheriff's Officers, Municipal & County Police Officers. During these horrific times officers are being assassinated for just doing their jobs and wearing a uniform and their sacrifices shall not be in vain. It's time to unite and stand shoulder to shoulder with one another because **together we will make the thin blue line stronger!**
